

WIRMC 2021 Step-by-Step Login Information

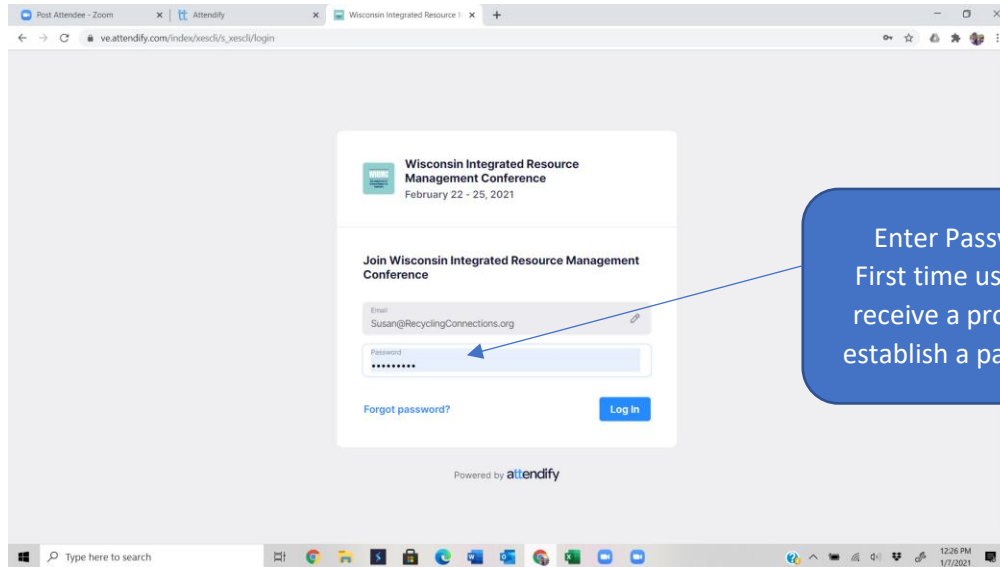

To access the Conference – go to https://ve.attendify.com/index/xescli/s_xescli/. You should see this page when entering for the first time. WIRMC is being presented through a platform called Attendify.

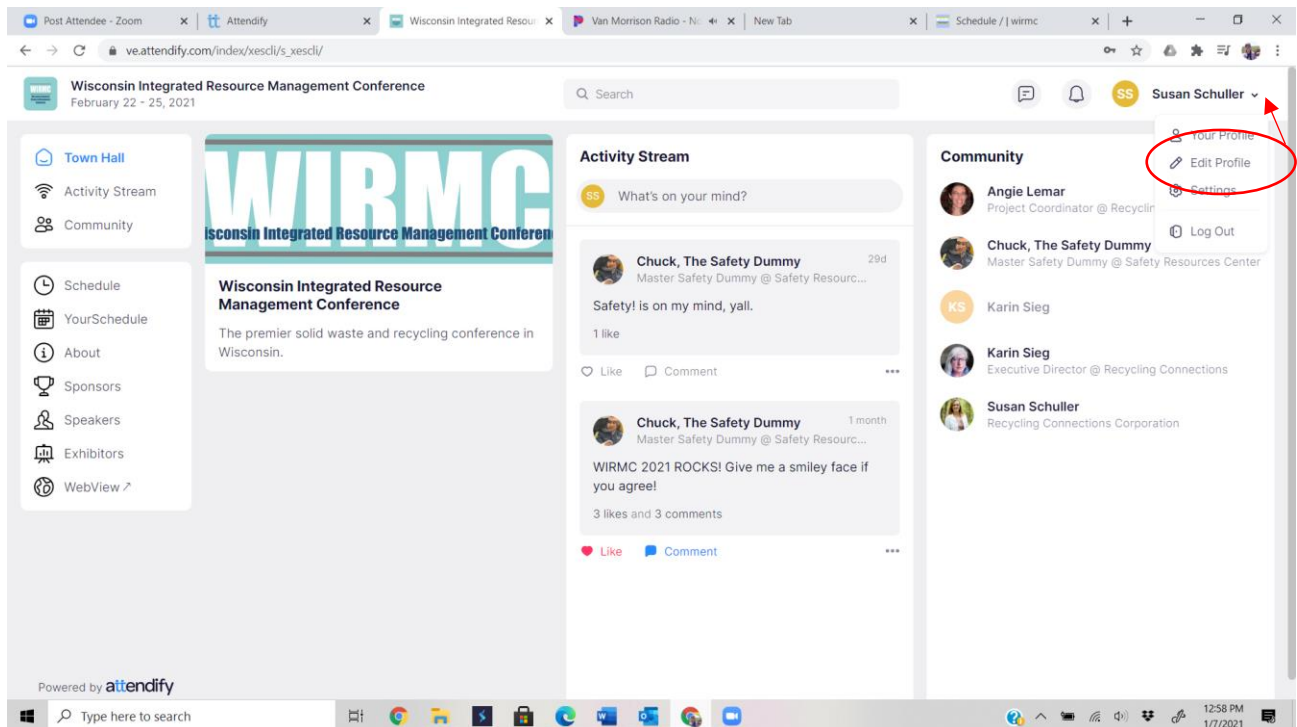

Put in the Conference Code that was given to you after you registered for the conference.

Only those who registered for this conference have access to the conference platform. Put in your email that you used for registration.

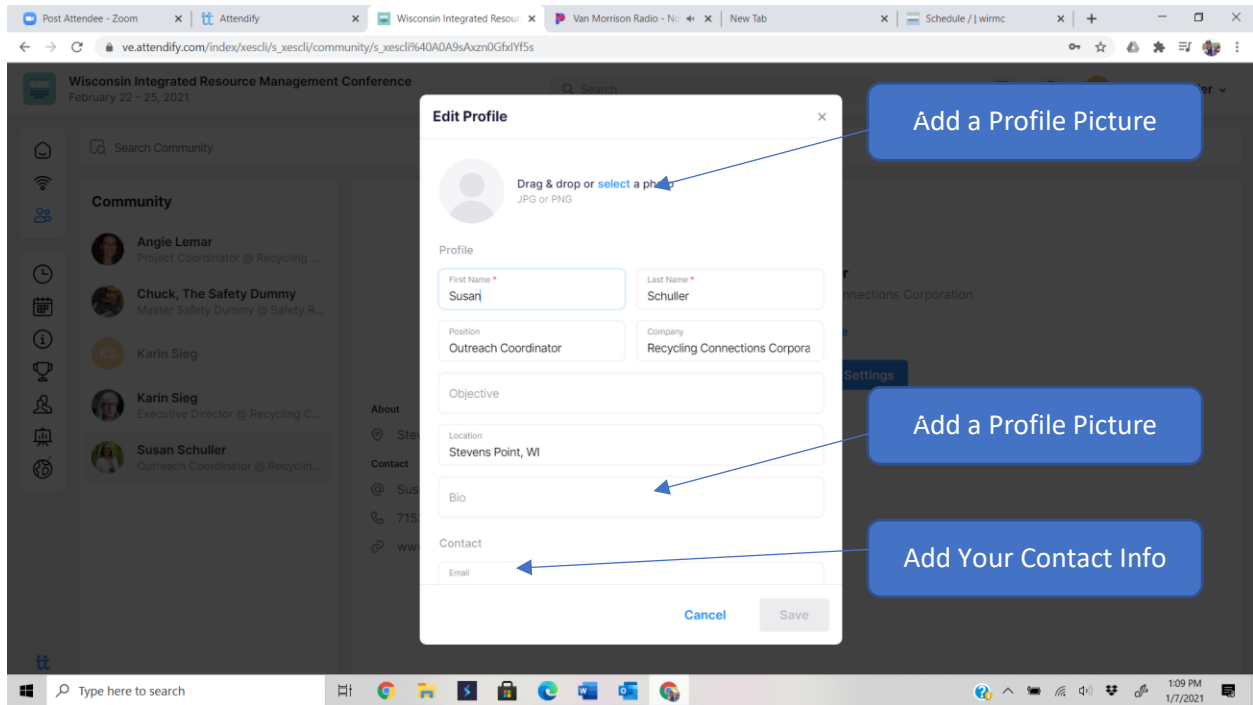

You will be asked to set up your own personal password. When entering for the first time, you will establish your password. If you ever forget your password, simply click “Forgot Password?” and go through the prompts to re-set the password again.

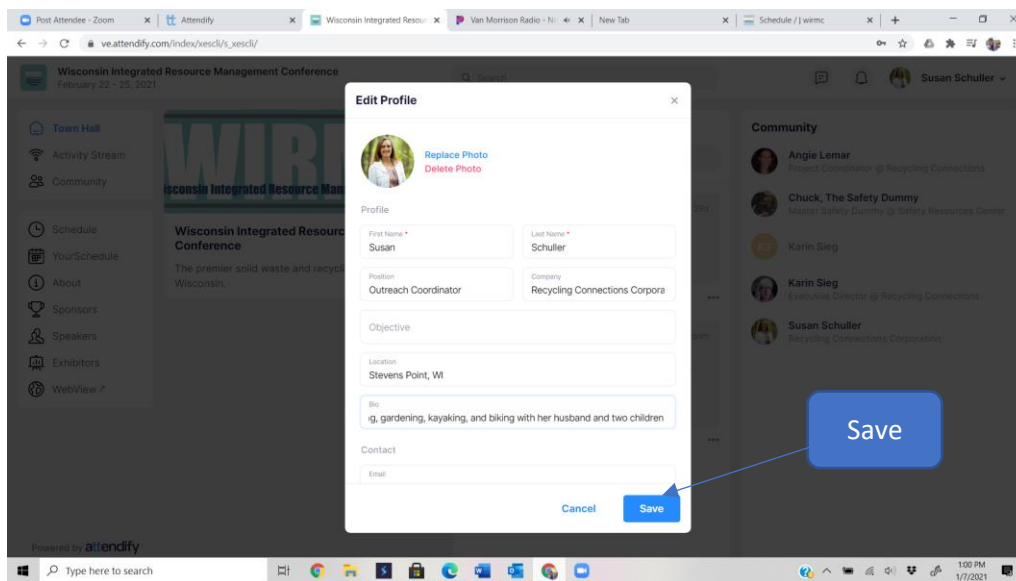

Upon entering, please set up your profile with your preferred picture, contact information, and bio. Click the upper right corner to edit this profile.

Add a Profile Picture

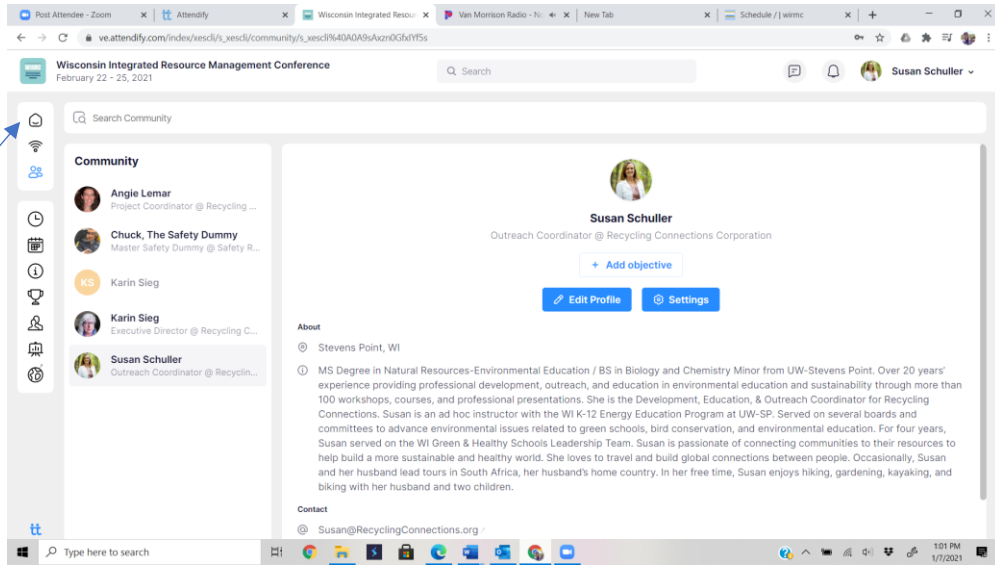

Select Edit Profile.

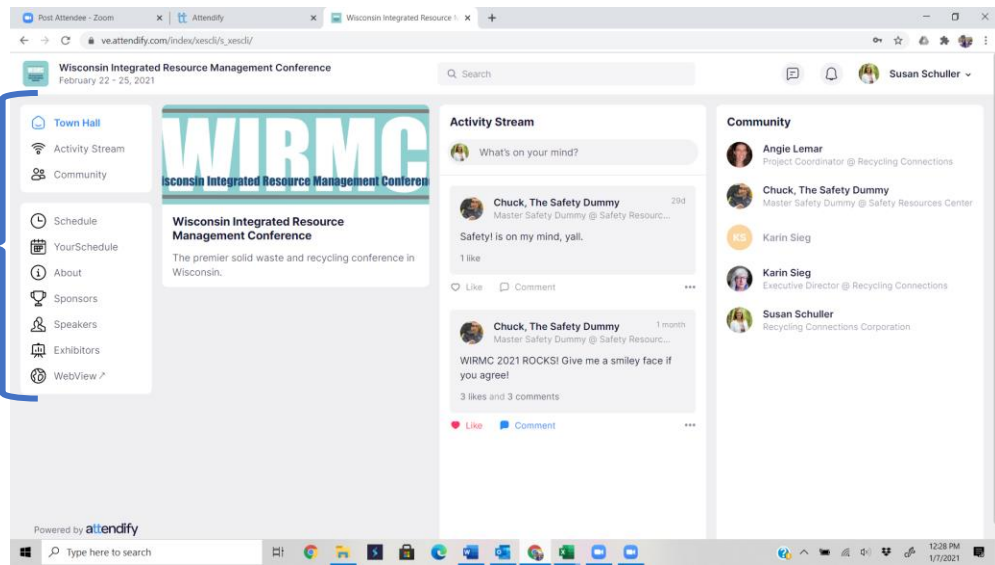

Complete the contact and bio information as you wish and select “Save.” We encourage all attendees to put a profile picture of themselves in their profile. Being an online event, it is important to “see” you.

Preview Your Profile, then return to the Town Hall

Now you are back to the platform. You can navigate the conference platform as you select the icons down the left side of the page.

Navigate through the Conference information by selecting these icons.

To return to the conference home page, simply click "Town Hall." Email Susan@RecyclingConnections.org or WIRMC@WIRMC.org if you have any questions.
